**Correction to: BMC Med 19, 105 (2021)**  
<https://doi.org/10.1186/s12916-021-01978-7>

The original article [1] contains an error in Table 1 whereby it is stated that the study period of the observational study by Guaraldi et al. was 2002–2019.

This should instead state 2002–**2009**.
